h g

The image contains three maze puzzles designed for letter recognition. Each maze starts with a boy on the left and ends with an object on the right. The paths are marked with letters.

Maze 1 (Top): The path is marked with the letter 'A'. The object at the end is an apple.

Maze 2 (Middle): The path is marked with the letter 'J'. The object at the end is a jelly.

Maze 3 (Bottom): The path is marked with the letter 'C'. The object at the end is a cake.
