

## Yiu Tung Baptist Kindergarten Coronavirus Disease 2019 Arrangement for Class Resumption

29-9-2020

Dear Parents,

1. The Education Bureau (EDB) announced that school in Hong Kong can resume classes in a gradual and orderly manner. K1 students will have class in two shift until 9<sup>th</sup> October, and the arrangement is as follows :

<u>Class Level</u>	<u>Date of class resumption</u>	<u>Class Time</u>
K1	29-9-2020	9:00-10:00am ( K1A )      10:15-11:15am ( K1B )

2. During the class suspension period, our school has thoroughly cleaned and disinfected the school premises. We have urged all staff members, school bus drivers, nanny and nanny van drivers to step up precautionary measures to maintain personal hygiene and environmental hygiene of the school. Besides, we will also request all the staff who have contacts with our students, including drivers and workers of school bus and nanny vans, to take their temperature before going to school. If they have fever, they must not return to school.
3. We will maintain the environmental hygiene of our school premises as far as we can to safeguard the health of our students. We hope that, after class resumption, students can return to the school and enjoy their learning in a safe environment. However, we are mindful of the rapidly changing nature of the COVID-19 pandemic, schools will keep in view the latest development, and parents should pay close attention to any latest announcements of our school as well as the EDB.
4. Cooperation from parents and students are important for us to maintain a clean and safe environment. We call on your support to step up environmental hygiene in the household, and, on top of that, implement the following measures strictly:
- 4.1 Pay attention to the health condition of your child. He/She should stay away from school and see a doctor immediately if symptom, especially fever, is detected.
- 4.2 Take your child's temperature before he/ she goes to school every day. Fill in the record sheet and sign your name on it. Your child should return the completed sheet to us daily.
- 4.3 To prevent infection, please ask your child to wear a mask (also applicable when taking school buses, nanny vans or other transportations) and bring tissue paper to school every day.
- 4.4 To keep teachers' informed of the health condition of students, please complete (Proforma A) to provide us with the following information:
- (a) travel history of your child outside Hong Kong in the past 14 days;
- (b) whether your child has confirmed infection of COVID-19;
- (c) the health status of those taking care of your child, or those living with your child;
- (d) the current health status of your child.
- Please return the Proforma on or before the first day of class resumption. For those who have contracted the virus and have recovered, if they are still within the 14-day quarantine period, they must not go to school.
- 4.5 After the resumption of classes, you are requested to notify our teacher, immediately in case of any of the following situations, to facilitate our prompt action in taking contingency measures and informing the EDB:
- (a) your child has been confirmed infection of COVID-19; or
- (b) your child has been classified as "close contact of an infected person" with COVID-19\*
5. With concerted efforts contributed by different parties, we look forward to overcoming the adversities of the pandemic so that students, teachers and parents can resume normal living and healthy life.

Principal : CHAN Tsui Yuk

*\*In general, close contact means having cared for, having lived with, or having had direct contact with respiratory secretions and body fluids of a confirmed patient.*
