Yiu Tung Baptist Kindergarten “Joyful Fruit Month” Campaign

April 19, 2022

Dear Parents,

Our school has participated in the 2022 Hong Kong Schools “Joyful Fruit Month Campaign” held in May by the Department of Health and related organizations. Through home-school co-operation, this campaign aims a favourable environment in which students can eat fruits at home happily in order to develop the habit of eating fruit every day. The relevant details are listed below.

“Fruit Diary Card” Award Scheme:

The “Fruit Diary Card” reward program will be carried out for four consecutive weeks from 1st May to 28th May. Parents please put fruit stickers on the card for children who consume fruit every day. When the campaign is completed in four weeks, the “Fruit Diary Card” should be returned to the school from 30th May to 2nd June.

Yours sincerely,

Ms T.Y. Chan
Principal
