

# Yiu Tung Baptist Kindergarten Infinite Love..... Donation Campaign

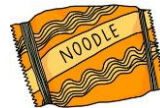

May 20, 2022

Dear Parents,

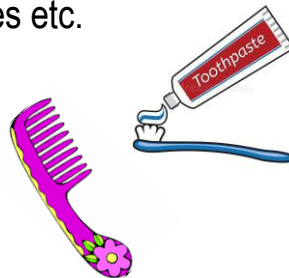

“Local Refugees” are forced to leave their hometowns and flee to Hong Kong with different reasons. In addition to their language barriers, they always face great difficulties and challenges every day, and there are many young children among them. According to the law, refugees are not allowed to work in Hong Kong, and their existing subsidies are not enough to support the expenses of the whole family which make them really stretched out and face unimaginable heavy pressures in their daily lives. Our school hopes to help them solve their daily needs by donating daily supplies. We sincerely invite parents and your children to join this meaningful campaign. The details are listed below:
