

# Yiu Tung Baptist Kindergarten "Joyful Fruit Month" Campaign

April 12, 2024

Dear Parents,

Our school has participated in the 2024 Hong Kong Schools "Joyful Fruit Month Campaign" held in April by the Department of Health and related organizations. Through home-school co-operation, this campaign aims a favourable environment in which students can eat fruits at home happily in order to develop the habit of eating fruit every day. The relevant details are listed below.

## 1. April 26 – Fruit Party at School :

- No need to wear school uniform to school on that day, parents please try to arrange accessories with fruit decoration or clothes with fruit patterns to school.
- Recitation and appreciation of nursery rhymes about fruit for each class in the school.
- Different fruit will be served for children during refreshment break.
- "Enjoy Fruit Daily" TV announcement will be played at the school, and discuss the benefits of eating fruits with children.

## 2. "Fruit Diary Card" Award Scheme:

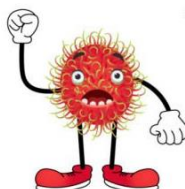

The "Fruit Diary Card" reward program will be carried out for four consecutive weeks from 29<sup>th</sup> April to 26<sup>th</sup> May. Parents please put fruit stickers on the card for children who consume fruit every day. When the campaign is completed in four weeks, the "Fruit Diary Card" should be returned to the school from 28<sup>th</sup> May to 31<sup>st</sup> May. (Fruit Diary Card will be distributed on April 26)

## 3. PARENT-CHILD FRUIT PLATTER CREATION :

To establish parent-child relationship, the school encourages parents and children to create fruit platters together and bring them back to school to share with classmates on April 26.

**Remarks :** 1) Parents who participate in the parent-child fruit platter creation activity, please return the following reply slip before April 23.

- 2) Students please bring along birthday bag to school on the day of Fruit Party at School.
- 3) AM session and Full-day session service will continue as usual on the day of Fruit Party at School.
- 4) Please continue to encourage children to develop the habit of eating fruits every day after completing the above activities.

Yours sincerely,  
Ms T.Y. Chan  
Principal
